**Description**  
Planning permission is sought for the development of an extension of Galway Harbour at Renmore and Townparks Townlands and on lands to be reclaimed from the foreshore and the sea in Galway Bay to the south of the existing Galway Harbour Enterprise Park, which contains a Seveso site. - (viii) the construction of oil and bitumen transfer pipelines to the existing oil and bitumen tank farms on the Galway Harbour Enterprise Park and the provision of fire water storage facilities. This falls within the remit of EU Directive (96/82 EC) on the control of Major Accident Hazards, known as the SEVESO II Directive
- (ix) harbour related buildings, including Port Operations Office (4 storeys); Harbour Management Warehouse (single storey); Marina Office (single storey); Passenger Terminal (single storey); and ancillary car parking and site services, including 3 No. ESB sub-stations, demolition of 1 No. ESB sub-station, 3 No. Control Offices and Oil Terminal Water Pumphouse and a helicopter pad for search and rescue purposes.
- (x) the construction / improvement of access roads including the horizontal and vertical realignment of the road under Lough Atalia Road Rail Bridge [a protected structure] and realignment and improvements including traffic lights at Dock Road / Bóthar na Long / Galway Harbour Enterprise Park Access Road junction (adjacent to Harbour Hotel)
- (xi) the provision of landscaping and amenity areas, including replacement of the previously permitted amenity strip from the southern seaward boundary of the Galway Harbour Enterprise Park to form an amenity link from the marina to the nautical centre.
- (xii) the proposal includes for all associated temporary and permanent site development [including service roads / realignment of roads and underground works], landscape works [including public lighting and services] and activities to facilitate the construction of the development.
